

## **Penguin Run**

Pijku Penguin was having so much fun on the ice when he realized that the ice started to break up and that he was far away from home.

### **Gameplay**

Jump over the holes in the ice to avoid falling into the water. If you get wet you have to start over. The speed increases the further you go.

### **Controls**

Push space or fire to jump.

### **Requirements**

MSX1, Minimum 16K RAM

### **Credits**
