CASHCADE is a game of **KNOWLEDGE** and **GAMBLING** skill that is addictive and fun to play!

Your aim is to **ANSWER** questions correctly to win money so that you will become the No. 1 **CASHCADER** . . .

PLAYING THE GAME:

To select an **option** or **category** use the following keys:

Q: - UP **A:** - DOWN **P:** - SELECT

CASHCADE has six categories: **FILMS**, **MUSIC**, **SPORT**, **GEOGRAPHY**, **SCIENCE** and **POT POURRI**.

You will be shown three of these categories of which you must select one to answer a question on.

To answer the question select one of the answers given by using keys '1' '2' or '3'.

If you answer the question incorrectly you will lose one of your credits.

After losing two credits you are broke and your game will be over!

If you answer the question correctly you will win a coin. After winning four you will be given the option to gamble.

GAMBLING:

Gambling is in three stages -

Controlled by pressing the space key.

The first stage consists of flashing arrows. Work your way to the top of the arrows and you will move onto the money stage. If you make it to the top of this part you will be given a chance to attempt to SMASH THE PIG in which you must break the piggy bank with the hammer to win the JACKPOT.

If you fail in any part of the gambling process then you will return to the questions . . .
