SPECTRUM LOADING INSTRUCTIONS

48K Machines

Side A of the cassette is the main progrdm, side B holds levels data:

1) Insert Cassette in Cassette Player
2) Type **Load** ""
3) Press Play on Cassette Player
3) Lemmings will now load
4) Turn Cassette over to load levels

128k Machines

As above but Press Return to access Cassette Loading sequence and follow on-screen instructions.

Watch your screen for instructions on when to press Stop on Cassette Player. The screen will inform you what level it has currently found. A little trial and error is required with the rewind and forward buttons to find the exact level you seek.

SPECTRUM GAME

The Spectrum version of *Lemmings* features 60 levels in total: 15 Fun, 15 Tricky, 15 Taxing and 15 Mayhem. A maximum of 20 Lemmings can infest any level at any one time. Please refer to main manual for enhanced details.
